Geige, Violine *v.*  das wichtigste Streichinstrument, bespannt mit vier Saiten (g, d¹, a¹, e²), die mit dem Bogen gestrichen werden. Die Decke ist aus Nichten, der Boden meist aus Ahornholz. Die G. wurde Ende des 16. Jahrhunderts entwickelt. Bedeutende Geigenbauer waren die italienischen Familien Amati, Stradivari und Guarneri in Cremona, die Tiroler Stainer, Klop.
